

If this is your idea of HAULING, this is your car.

Avanti
Estate

Taking a sharp curve at speed shouldn't require you to slam your brakes for fear of tipping over like a domino. But how can you get the carrying capacity of an SUV without the adverse effect of a higher center of gravity?

The all new Avanti Estate from Studebaker. Its 70 cubic feet of cargo volume gives you plenty of space to haul your precious possessions. And with a Paxton supercharged 4.7 liter V8 mated to Bilstein sport-tuned suspension, you'll be hugging the curves with ease. Because keeping tight control of your car is the best way to keep you and your stuff safe.
